December 2022 Challenges

We are always looking for ways that you can earn stamps for your passport without it costing any money, so here are 6 challenges you can do without spending a penny! You can choose to complete as many of these challenges as you wish and each challenge will earn you a one hour stamp on your passport! Just email your evidence (once all complete!) to Kate at BexleyCU@LSEAT.org.uk!

A Christmas card for someone special This challenge is about showing someone you care about them. To get your stamp, please create a Christmas card and write a message to someone special to tell them why they are special to you. Before you give it to them, please send a photo of your card to us to earn your stamp!	**Review a Christmas book/story** I really enjoy reading Christmas books and my favourite Christmas book when I was growing up was called "The Story of Holly and Ivy" by Rumer Godden! I read it every year and it always felt like Christmas had begun once I'd read the story! This challenge is to write a review on your favourite Christmas book or story! There is a link you can use at the bottom of this grid!	**"Merry Christmas" in different languages** Millions of people around the world celebrate Christmas, so let's learn how to say "Merry Christmas" in different languages! You might find this website helpful: https://www.whychristmas.com/customs/languages To earn your stamp, please send a video of you saying Merry Christmas in at least 5 different languages!
Christmas wordsearch For this challenge, you will need to create a wordsearch with at least 10 different Christmas words. Why not see if someone else can find all of the words?	**Advent Calendar of Kindness** Advent Calendars are often used to help "countdown" to Christmas. For this challenge, we would like you to create an advent calendar and behind each door either have an act of kindness that you will do that day (even as simple as making your bed) or a kind message for you to share with someone.	**Natural Christmas decoration** For this challenge, I would like you create a decoration for your home using natural materials, such as pine cones, leaves or twigs. Please remember to choose your materials with care and respect!
