London South East Children's University
June 2024 Challenges

Friday 21st June 2024 marks World Music Day and all the challenges for the month of June are linked to music!

You can choose to complete as many of these challenges as you wish – simply email your evidence (a photo is absolutely fine!) to Kate at BexleyCU@LSEAT.org.uk and she will send you your stamp code!

Build an instrument!

There are so many different musical instruments in the world and instruments can be made out of so many different materials!

For this challenge we would like you to build your very own instrument, whether this is a guitar, a drum or shaker… but the twist is that you should use items you have at home!

Junk modelling is perfect for this, so have a look through your recycling to see what you could use to make your instrument with!

This website might give you some ideas:
https://dreambigathome.uk/activity/junk-musical-instruments/

Songs that make you feel…

Songs, or pieces of music, have a tendency to make you feel all sorts of emotions and for this challenge we would like you to find at least one song or pieces of music that makes you feel the following emotions…

Happy – this song puts a smile on your face
Sad – this song may make you feel melancholy
Excited – this song may make you feel excited and/or want to dance
Relaxed or Sleepy – this song may make you feel relaxed or like you want to go to sleep. Zzzz…

If there are different emotions you would like to share linked to songs, you are welcome to share these too!

Create a graduation playlist

We are already planning the upcoming graduation ceremonies and we'd love to know which songs you would like us to include on the pre- and post-ceremony playlists!

These songs might be ones that have uplifting lyrics or just be your favourite songs that you love to hear!

Please share at least 5 songs on your playlist and explain why you chose them!

A musician you admire

For this challenge, we would like you to create a factsheet about a musician you like (or would simply like to write about!), whether this is a musician making music now or in the past! It could be anyone from Taylor Swift to Harry Styles to Olivia Rodrigo or even Beethoven!

Please share at least 10 facts about your chosen musician and you can choose how you share this information, whether this is written, displayed in a poster or even spoken as a video!
