# London South East Children's University
# November 2021 Challenge 2

## World Children's day!

20th November is World Children's Day and in many countries around the world you will see children "taking over" lots of roles in media, politics, sport and entertainment! So… this is what we would like you to do!

## Your challenge is to imagine that you are the Prime Minister for the United Kingdom and consider what changes you would make!

You can either write or record your message sharing your ideas which should include…

- What you would do to improve the lives of children in the UK
- What you would do to improve your local area
- What you would do to deal with climate change
- What other changes would you make?
- What would you keep the same?

Once you have completed your challenge, please email a photo/s of it to Kate at BexleyCU@LSEAT.org.uk and she will email you a 1hr Learning Credit Slip!
