TRUST HANDBOOK & CODE OF CONDUCT 2021/22

Introduction

The Trust Handbook and Code of Conduct has been developed to give clear guidance on professional standards and expectations for all Trust staff working in our Academies.

It supports induction and should be read in conjunction with Local Academy Handbooks, Local Academy and Trust wide policies, as well as Trust HR Policies.

Each member of Trust Staff is required to sign this document to confirm understanding and acceptance of the duties outlined in the Trust Handbook and Code of Conduct, as a condition of employment.

The Trust Policy Matrix identifies the associated policies including Group, Trust and local Academy policies and the distinct HR, IT and Regulatory policies and procedures that apply, as the employer of all staff and managers.

This Handbook also outlines the Trust Vision, Mission and Values alongside a message from the Trust CEO, Dr Sam Parrett, CBE.

1. Message from Dr Sam Parrett, CBE London South East Academies Trust CEO,

Dear Colleagues

Our expectations are that all students receive the highest possible quality of teaching and learning within a positive and respectful environment.

It is important, therefore, that you understand that your own behaviour and the manner in which you conduct yourselves with colleagues, students, parents and other stakeholders sets an example and affects the school environment.

We recognise that the majority of employees and workers always act in an appropriate, professional manner and treat others with dignity and respect. However, we consider it important to make clear the standards we expect so that breaches, misunderstandings and/or misinterpretation of rules are kept to a minimum.

The Trust Handbook and Code of Conduct alongside Local Academy, Trust and HR Policies intends to set out our expected standards of conduct, behaviour and values. They apply to all employees, regardless of status. They are not an exhaustive compilation of what employees and workers can and cannot do, but it is hoped that it will ensure everyone is clear about what is acceptable and what is not.

The Trust Handbook and Code of Conduct is binding for all our employees. It is expected also that other workers deployed throughout the Trust, who are employed by external Agencies, will be expected to adhere to its principles.

Similarly, volunteers are also expected to adhere to the principles set out and should consider themselves to fall into the category of 'worker' whilst with the School for that purpose.

Breaches of this Trust Handbook and Code of Conduct and our standards and values expressed within it, may result in disciplinary action against you, including dismissal for serious offences.

We hope, of course, that such action won't be necessary and that all employees and workers will ensure that they read the Code of Conduct and act in accordance with its requirements, standards and expectations at all times.

If there is anything in the Trust Handbook and Code of Conduct that you do not understand, you should speak to your line manager, Head Teacher or Deputy CEO Academies.

**Dr Sam Parrett, CBE
Trust CEO**

3. Staff Code of Conduct

3.1 Summary & Context

All staff who work for London South East Academies Trust will demonstrate high standards of conduct in order to encourage children and young people to do the same.

All staff must establish and maintain professional boundaries in their relationships with children and young people to avoid putting themselves at risk of allegations. The Code of Conduct will help all staff to understand what is considered acceptable.

We have high standards and expectations of all employees and workers and the health, safety and welfare of the students is the priority. Therefore, it is required that you:

- provide a high standard of service in your dealings with Trustees, Local Community Governors, Academy Leadership and Management, staff, colleagues, students, parents and other stakeholders whether this is in person, by telephone, letter or email.
- always be polite, responsive and treat people with respect and consideration, be as clear as possible about any decisions and actions you take and the reasons for them;
- always use appropriate language and never demean, distress or offend the decency of others.
- do not make derogatory comments or seek to undermine Academy Leaders and Managers or other staff and employees;
- respect the rights of others and treat them with dignity.
- never threaten, bully, fight with or assault anyone;
- never steal, damage or take items that belong to others;
- hand lost property in to the Business Manager; School Office or Head Teacher and/or Deputy CEO/Head Teacher as appropriate;
- do not discriminate against, harass or victimise anyone you meet in the course of your work, on any grounds;
- raise any concerns about inappropriate behaviour by students, parents or colleagues or about the internal workings of the Academy by following the appropriate policy.
- positively promote the Trust mission, vision and values;

- do not make public statements about the Trust or the Academy without first obtaining authorisation from the Deputy CEO and/or Head Teacher;
- avoid actions that may discredit the Trust or Academy or bring it into disrepute.
- ensure that you are not under the influence of alcohol or drugs during working hours
- do not disclose or misuse confidential information; and
- do not engage in, or encourage, gossip, rumour or innuendo.

All staff need to recognise that failure to meet appropriate standards of behaviour and conduct may result in disciplinary action.

3.2 Equality of Opportunity

We are committed to providing equal opportunities in recruitment, employment and in the workplace and to avoid unlawful discrimination in all related practices.

Under the Equality Act 2010, there are certain ‘protected characteristics’ that qualify for protection against discrimination. These are age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

Unlawful discrimination can take a number of forms:

- Direct discrimination occurs where a person is treated less favourably than another because of a protected characteristic they have, or are thought to have, or because they associate with someone who has a protected characteristic (also see below).
- Indirect discrimination applies to age, disability, race, religion or belief, sex, sexual orientation, gender reassignment and marriage and civil partnership. It occurs where a rule, provision, criterion or practice is applied to everyone but has the effect of particularly disadvantaging people who share a protected characteristic. However, such indirect discrimination may be justified if it can be shown that it is ‘a proportionate means of achieving a legitimate aim’.
- Perceptive Discrimination, applying to age, disability, race, religion or belief, sex, sexual orientation and gender reassignment, is direct discrimination against an individual due to the fact that others think, or perceive, that they possess a particular protected characteristic.
- Associative Discrimination applies to age, disability, race, religion or belief, sex, sexual orientation and gender reassignment. It is direct discrimination against someone because they associate with another person who possesses a protected characteristic.
- Harassment is “unwanted conduct related to a relevant protected characteristic, which has the purpose or effect of violating an individual’s dignity or creating an intimidating, hostile, degrading, humiliating or offensive environment for that individual.” Harassment applies to all protected characteristics except for pregnancy and maternity and marriage and civil partnership. Employees/workers can complain about behaviour they find offensive even if it is not directed at them, and the complainant need not possess the relevant characteristic him/herself. Employees and workers are also protected from harassment because of perception and association (see above).
- Victimisation occurs when an employee/worker is badly treated because s/he has made or supported a complaint, or raised a grievance, or is suspected of doing so. However, s/he is not protected from victimisation if the complaint has been made or supported maliciously.
- Pregnancy and maternity provisions afford protection against discrimination to women during the period of the pregnancy and any statutory maternity leave.

Everyone is required to assist in meeting the commitment to providing equal opportunities and avoiding unlawful discrimination. Employees and workers can be held personally liable as well as, or instead of, the employer for acts of unlawful discrimination. Anyone who commits a serious act of harassment may be guilty of a criminal offence.

Acts of discrimination, harassment or victimisation against anyone else are disciplinary matters and will be dealt with accordingly. Such acts may constitute gross misconduct and could lead to dismissal without notice.

3.3 Management and Employee Relations

- Physical abuse
- Sexual abuse
- Emotional abuse
- Neglect
-

The duty to safeguard children and young people includes the duty to report concerns about a child/ young person to the School's Designated Safeguarding Lead.

All staff should have **READ** and **UNDERSTOOD** the Trust Safeguarding Policy and Procedures and Keeping Children Safe In Education 2021 (Part One and Annex A).

All staff should also be aware of the Trust Whistleblowing procedures.

Staff must not use personal cameras, phones or any other electronic equipment to take images of students.

Staff must have signed the Acceptable User Agreement for IT Usage on an annual basis.

When staff are informed of safeguarding issues regarding specific children, they are to treat this information confidentially and if heard gossiping then they will be warned and then could be dismissed.

3.5 Development of Children and Young People

Staff must comply with the Trust and Academy policies and procedures that support the wellbeing, development and progress of children and young people.

Staff must co-operate and collaborate with colleagues and external agencies where necessary to support the development of children and young people.

Uphold children and young people's rights and help them to understand their responsibilities.

Listen to children and young people, consider their views and preferences, and involve them in decisions that affect them, including those related to their learning.

3.6 Honesty and Integrity

Staff must maintain high standards of honesty and integrity in their work, including in the use of school property and finance.

Teaching staff exercise their responsibilities in relation to the examination and assessment of achievement and attainment in a fair, transparent and honest way.

All staff represent their professional status accurately and avoid taking advantage of their professional position.

All staff should ensure that personal beliefs are not expressed in ways which exploit children and young peoples' vulnerability or might lead them to break the law. Staff should uphold British Values and ensure their professional conduct complies with Part 2 of the Teacher Standards at all times.

All staff, if presented with any gifts from parents, must declare these as part of the Trust's Financial Regulations, to ensure they are not open to bribery or coercion.

3.7 Confidentiality

Where staff have access to confidential information about children and young people or their parents or carers, staff must not reveal such information except to those colleagues who have a professional role in relation to the child/ young person.

All staff are likely to witness actions at some point which need to be confidential. These actions will be reported and dealt with in accordance with School procedures and must not be discussed with anyone internal or external of the School community except the member of staff who is dealing with the matter.

All staff have an obligation to share with the Designated Safeguarding Lead, Head Teacher/ Head of School and/or Deputy CEO any information which gives rise to concern about the safety or welfare of a child/ young person.

3.8 Keeping Within the Law

Employees and workers are expected to operate within the law. Unlawful or criminal behaviour, at work, or outside work, may lead to disciplinary action, including dismissal, being taken against employees.

You must ensure that you:

- uphold the law at work;
- never commit a crime away from work which could damage public confidence in you or the school, or which makes you unsuitable for the work you do. This includes, for example:
 - submitting false or fraudulent claims;
 - breaching copyright on computer software or published documents;
 - sexual offences, violence or any other form of abuse which will render you unfit to work with children or vulnerable adults;
 - crimes of dishonesty which render you unfit to hold a position of trust;
 - involvement with Social Care or child protection including your own household; and
- write and tell the Head Teacher, Deputy CEO and HR immediately if you are arrested, being investigated for, are charged with, convicted of, or cautioned for, any crime whilst you are employed at the School or if you are under investigation by the National College of Teaching and Leadership or other regulatory or professional body or if your legal right to work in the UK is challenged.

This includes outside of your working hours. You do not need to inform the Head Teacher/ Head of School, Deputy CEO or HR of offences that do not involve the police such as a parking or speeding fines.

The Head Teacher/ Head of School and Deputy CEO will determine and consider whether any investigations, charges or convictions damage public confidence in the school or makes you unsuitable to carry out your duties.

3.9 Conflicts of Interests

We expect all employees, workers, consultants, local governors and trustees to be scrupulously honest in their work. Colleagues, students, parents and the public in general are entitled to have absolute confidence in the trustworthiness and honesty of everyone working for us.

Our business should be conducted, and be seen to be conducted, in an objective, transparent and unbiased manner. There may be occasions when there is scope for conflict between your own interests and our interests.

It is a requirement of the ESFA's Academies Financial Handbook that we have a Register of Interests and that it must capture relevant business and pecuniary interests of members trustees, governors and senior employees and that we must consider extending the register to include other interests.

We have decided that the following employees must complete an annual declaration of interests to be included in the Register of Interests and must also declare any interest to the Clerk to the Trust Board immediately it becomes apparent:

- Deputy CEO
- Head Teachers/Heads of School
- Deputy Head and Assistant Head Teachers
- School Business Managers;
- persons working in the finance function;
- any other person who is a budget holder; and
- any other person involved in the procurement of goods or services.

The interests of Members, Trustees and Local Community Governors will also be collected by the Clerk to the Board, with Members and Trustee interests published on the Trust website.

For the purposes of this Code of Conduct “Connected Person” means any of:

- a. your partner or ex-partner (which includes a wife, husband, civil partner and any person you had a personal or romantic relationship with);
- b. your father, mother, sister, brother, son, daughter, uncle, aunt or cousin;
- c. your partner’s father, mother, sister, brother, son, daughter, uncle, aunt or cousin;
- d. the partner of any those people listed at a, b or c above
- e. a person with whom you have a business relationship; and
- f. the partner of a person with whom you have a business relationship.

The interests which must be formally declared on the declaration of interests form include;

- directorships, partnerships and employments that you or a Connected Person have with businesses which provide goods or services to us;
- trusteeships and governorships including at other educational institutions or charities irrespective of whether there is a trading relationship with us; and
- for each interest, the name of the business, the nature of the business the nature of the interest, and the date the interest began.

To avoid any difficulties arising from a potential clash of interests you must:

- notify your Head Teacher/ Head of School, Deputy CEO or Clerk to the Trust Board, in writing if you or a Connected Person have links, of any sort, with an outside organisation which may carry out work for us, or supply the Trust with goods or services (or is tendering or preparing to do so);
- not participate in any recruitment process where a Connected Person has applied or is intending to apply a post with us;
- not participate as part of any recruitment process or other panel (e.g. as a staff governor on a Pay Panel) if you may be in a position to benefit from the outcome; and report in writing any possible conflict of interest to the Clerk to the Trust Board.

3.10 Fraud Avoidance, Personal Gain, Gifts and Hospitality

As outlined within the Trust Financial Regulations, the Trust requires all staff at all times to act honestly and with integrity to safeguard the public resources for which the Board is responsible.

Fraud is an ever-present threat to resources. All members of Trust staff must therefore remain alert to the risk that fraud or other irregularity could occur in their area of responsibility.

The Audit & Risk Committee is responsible for approving the Trust's Fraud Avoidance Policy. An annual review of areas susceptible to fraud is to be prepared by Deputy CEO and Head Teachers/ Heads of School.

The Trust Fraud Register is maintained by the Clerk to the Trust Board and any changes are to be presented to each meeting of the Audit Committee.

Any individual or cumulative instances of fraud above £5,000 must be reported by the Trust to the EFA. In addition, any unusual or systematic fraud must also be so reported. Further details are contained within the Fraud Avoidance Policy which is available to Community Governor employee or Connected Person may use their connection to the Trust for personal gain (other than salary for employees) including payment under terms that are preferential to those that would be offered to an individual or organisation with no connection to us.

It is an offence under the Prevention of Corruption Act 1906 for members of staff to accept corruptly any gift or consideration as an inducement or reward for doing, or refraining from doing, anything in an official capacity or showing favour or disfavour to any person in an official capacity.

The guiding principles to be followed by all Members, Trustees, Local Community Governors, managers and staff must be:

- the conduct of individuals should not create suspicion of any conflict between their official duty and their private interest
- the action of individuals acting in an official capacity should not give the impression (to any member of the public, to any organisation with whom they deal or to their colleagues) that they have been (or may have been) influenced by a benefit to show favour or disfavour to any person or organisation.

Thus, members of staff, managers, Trustees and Local Community Governors, should not accept any gifts, rewards or hospitality (or have them given to members of their families) from any organisation or individual with whom they have contact in the course of their work that would cause them to reach a position whereby they might be, or might be deemed by others to have been, influenced in making a business, or educational decision as a consequence of accepting such hospitality.

The frequency and scale of hospitality accepted should not be significantly greater than the Trust would be likely to provide in return.

When it is not easy to decide between what is and what is not acceptable in terms of gifts or hospitality, the offer should be declined, or advice sought from the relevant Head Teacher/ Head of School or Group Chief Financial Officer.

For the protection of those involved, the Clerk to the Trust Board will maintain a register of gifts and hospitality received where the value is in excess of £100.

Members of staff, managers, Trustees and Local Community Governors in receipt of such gifts or hospitality are obliged to notify the Clerk to the Trust Board.

The Trust Gifts and Hospitality Register is presented to the Audit & Risk Committee annually. The general principle is that you should not receive or ask for any Gift.

3.11 Conduct Outside of Work

Staff must not engage in conduct outside work which could seriously damage the reputation and standing of the Academy or the employee's own reputation or the reputation of other members of the Academy community or contravene British Values as well as KCSIE 2021.

Staff must exercise caution when using information technology and be aware of the risks to themselves and others.

Staff must ensure they adhere to the Trust Acceptable User and Social Media Policies at all times both within the school settings and outside.

Staff must be aware of social relationships with parents outside of school and ensure approval is provided by senior leaders if the relationship extends beyond the usual parent/professional relationship.

3.12 Relationships at Work

All staff should abide by the Relationships at Work Policy to ensure that any relationships are declared in an open and transparent way. Staff will need to complete the necessary documentation to declare any relationships at work, to avoid any conflict of issues arising. In addition, staff should declare any relationships, in respect of potential applicants to work in the Trust.

3.13 Secondary Employment

The Working Time Regulations 1998, as amended, are a Health and Safety initiative and cover all work undertaken. To enable the Trust to comply with the Regulations and maintain the health and safety of all employees, you must inform your Line Manager and/or HR of ALL work undertaken, or applied for, elsewhere (should you be engaged in, or intending to be engaged in, other paid or unpaid work).

In addition, it is important you are aware that there should be no conflict of interest, nor any contractual conflict, between your work for the school and your work elsewhere. Approval to undertake, or continue with, secondary employment can only be granted in circumstances where there is no conflict with the provisions of the Working Time Regulations nor any other conflict of interest or contractual conflict.

Any employee asked to undertake private tutoring of students must first seek approval from the Head Teacher/ Head of School and/or Deputy CEO.

3.14 Hours of Work and Attendance

It is important that all employees are in the workplace at their agreed starting time and do not leave before their agreed finishing time. Bad timekeeping and poor attendance increases costs, causes disruption for others and has an adverse effect on students' education.

We recognise that the majority of employees are punctual and do not take time off without good cause or obtaining prior permission.

Our expectations are that:

- you attend work in accordance with your contract of employment and associated terms and conditions in relation to hours, days of work and holidays;

- wherever possible, you make routine medical and dental appointments outside of your working hours or during holidays. The only exceptions to this requirement will normally be in the event of an emergency, particular difficulty in relation to hospital appointments (which are rarely negotiable) or to attend for ante-natal care if you are pregnant. Pregnant employees are entitled to paid time off for ante-natal appointments. In any circumstances, however, you should agree time off with your manager at the earliest opportunity to ensure that adequate cover arrangements can be made;
- You adhere to the absence reporting procedures outlined in this handbook (local arrangements to be inserted here with communication guidance for the school / hub).

3.15 Dress Code & Appearance

The purpose of the Trust dress code is to establish basic guidelines on appropriate clothing and appearance at our workplace, so that we:

- promote a positive image and staff look professional;
- respect religious, racial and gender-specific clothing requirements and those of Staff with disabilities where possible;
- take account of health and safety requirements; and
- help staff decide what clothing is appropriate to wear to work.

Different departments within each Academy may have specific requirements that result in particular clothing demands, for example, because their work raises health and safety risks. It is important that all staff dress in a manner appropriate to their working environment and the type of work they do.

Staff are required to appear clean and smart at all times when at work and should not have extreme hairstyles. Staff should not wear casual clothes to work, this includes track suits, sweat-shirts, and casual or sports t-shirts or shorts, combat trousers, jogging bottoms, denim or leggings (with the exception of PE Staff who may wear the school sports clothing or other staff where this has been agreed with Head Teachers/Heads of School).

Clothing should not be dirty, frayed or torn. Tops should not carry wording or pictures that might be offensive or cause damage to the Trust's reputation.

It is inappropriate to wear clothing such as cut-off shorts, crop tops, short skirts, low cut tops, see through material or clothes that expose areas of the body normally covered at work. Staff clothing should attempt to cover Tattoos at all times.

Footwear must be safe and clean and take account of health and safety considerations. Where the Academy provides safety clothing and equipment, including protective footwear, it should be worn or used as appropriate and directed.

Staff should not wear clothing or jewellery that could present a health and safety risk.

Religious and cultural dress: Staff may wear religious and cultural dress (including clerical collars, head scarves, skullcaps and turbans) unless it breaches this policy or compromises

the health and safety of the wearer, their colleagues or any other person. Where necessary your Line Manager can disseminate appropriate information explaining cultural dress and customs. Priority is at all times given to health and safety requirements. Where necessary, advice should be taken from Human Resources.

3.16 Giving Employment References

There are a series of legal obligations on the Trust when giving employment references:

To the recipient of the reference we owe a duty to take reasonable care and skill to ensure that the reference is true, accurate, fair and not misleading; to the subject of the reference we owe a duty to take reasonable care when preparing the reference and to comply with our duties under the Data Protection Act to ensure that personal data and sensitive personal data are processed fairly and lawfully.

You should be aware that any reference supplied by the Trust to a future prospective or active employer will be confidential and will not be shared with you either in advance or after it has been provided (unless where it forms part of a formal Settlement Agreement.)

Any reference given will always be subject to the Trust obligations under the Safeguarding Vulnerable Groups Act 2006 and the Education Act 2002 which would allow the Trust to refer to any concern about safeguarding of children.

Only the HR Department are authorised and permitted to give a reference about you to a prospective or actual employer in relation to your employment with us

It will be a breach of this Handbook and Code of Conduct if any other employee provides an employment reference.

4. Health, Safety & Wellbeing

It is important that you read and familiarise yourself with the content of the relevant documents in place within the School and Trust in relation to Health and Safety and, in particular, any specific duties assigned to you as part of the policy.

You are required to comply with Safety Regulations and to use any safety equipment and protective clothing which is supplied to you by the school, as well as any hygiene and accident reporting requirements. You are also expected to familiarise yourself with all risk assessment documents and follow the advice and guidance given.

You must never act in a way which might cause risk or damage to any other members of the school community, or visitors. In general, all employees/workers are required to take due care for their own safety and the safety of their fellow employees at all times.

4.1 No Smoking, No Vaping

Exposure to second-hand smoke increases the risk of lung cancer, heart disease and other serious illnesses. Ventilation or separating smokers and non-smokers within the same airspace does not completely stop potentially dangerous exposure.

In particular, you should note the following:

- it is an offence, punishable by a fine and possible criminal prosecution, to smoke (or allow smoking) in 'enclosed' or 'substantially enclosed' public places and workplaces;
- public transport and work vehicles used by more than one person must be smoke free at all times, regardless of whether others are in the vehicle at the same time;
- employee smoking rooms and/or indoor smoking areas are not allowed;

- all employees, workers and others must respect the law on smoking. You must understand and be clear that smoking is strictly prohibited in all areas within the school premises and school. Areas of the premises include classrooms, sports areas, dinner halls/restaurants, staff rooms, meeting rooms/Committee rooms, workshops, rest areas, stairs, corridors, lifts, toilets, reception and storage areas whether they are permanent, moveable or temporary (including, for example, tents and marquees); and
- requires that employees and workers do not smoke while carrying out home visits. (Similarly, employees and workers carrying out duties relating to their employment can request that parents, other family members or persons within the household do not smoke while they are visiting otherwise the visit may be terminated and alternative arrangements made).

Smoking (including 'vaping') should not take place around the School perimeter or within sight of our premises.

Employees and workers should also be aware and understand that the School's no smoking policy and arrangements apply similarly to the use of electronic cigarettes (e-cigarettes). We do not wish to encourage our children to start smoking by appearing to normalise smoking

You are responsible for informing a member of the Senior Leadership Team of any breaches of our smoking arrangements.

4.2 Accident Reporting

Accident reporting is a key element of maintaining staff and student wellbeing across all our education settings, ensuring that the Trust is compliant with its duty of care as an employer and education provider. All staff should ensure that all accidents are reported in line with the accident reporting requirements of the Academy setting in which they work.

Robust and diligent accident reporting enables the Trust to make continuous improvements in maintaining a healthy and safe environment. If you are involved in an accident please ensure that you have informed your line manager as soon as practically possible and follow the correct and appropriate accident reporting procedures

4.3 COVID

All staff will be aware of the legal requirements to isolate at home if they have tested positive for Covid. Staff should inform their line manager if they have tested positive or if they are displaying symptoms of Covid and complete a PCR test as soon as possible.
